

List of conflicts in Africa

This is a **list of conflicts in Africa** arranged by country, both on the continent and associated islands, including wars between African nations, civil wars, and wars involving non-African nations that took place within Africa. It encompasses pre-colonial wars, colonial wars, wars of independence, secessionist and separatist conflicts, major episodes of national violence (riots, massacres, etc.), and global conflicts in which Africa was a theatre of war.

North Africa

Algeria

- 264 BC – 146 BC Punic Wars
